I Kiran Hedau the parent/guardian of Kshitij Hedau with the following mentioned details have been informed about the academic plan of my ward in the 7th semester of academic year 2026-27.

I wish to join for internship at : Compcarta pvt ltd
Duration of Internship: 28-May-2026 to 20-July-2026

I am aware that the academic session is going start from 7th july . I am aware about the mandatory academic requirements of the institute. In case of any overlap of internship schedule and academic schedule, I plan to complete the continuous assessment as follows:

1. Attend all lectures and academic activities through the mode permitted by the institute and maintain regular communication with course instructors.
2. Complete and submit all assignments, quizzes, laboratory work, and project deliverables within the prescribed deadlines.
3. Coordinate with faculty members in advance regarding any scheduling conflicts and seek approval for alternative arrangements wherever permitted.
4. Utilize non-working hours, weekends, and leave days from the internship to fulfill academic commitments.
5. Ensure timely participation in continuous assessment components, including presentations, evaluations, and examinations, as per institute guidelines.
6. Maintain a structured schedule to balance both internship responsibilities and academic requirements without compromising either commitment.
7. In case physical presence is required for any mandatory academic activity, prioritize the institute's requirements and make necessary arrangements with the internship organization.

I am going to complete continuous assessment and shall appear for all the examinations as per college schedule. I will be regularly in contact with the course teacher/PTG/Class Teacher regarding the same.

I understand that because of noncompliance of academic requirements, if there is any academic loss, I will be responsible for the same.
